

Opening its doors in September of 2009, Brownsville Montessori Academy, under the curriculum direction of Beth Ann Garza, provides education to children ages 3 through sixth grade. With an emphasis on respect for oneself and his/her place in the world, the children of BMA have taken on the mission of helping those devastated by the earthquake in Haiti.

Together with the American Red Cross and the local cycling club, The River Rockets, Brownsville Montessori Academy is very proud to sponsor

BMA Bike for Haiti

Cyclists of all ages and abilities will ride a designated .25 to 5 mile section of the Paseo de la Resaca bike trails. Registration for participants is \$10.00 and is being taken at Brownsville Montessori Academy and will also be available the day of the event.

We are asking your company to consider a sponsorship of this worthy cause. Your support will help us to ensure a successful event and bring us closer to reaching our goal of \$15,000 for the citizens of Haiti.

Thank you for your kind consideration,
