

To Whom It May Concern;

It's that time of year again when The American Cancer Society begins gearing up for the 2011 Relay for Life of Willacy County. This year's event will take place on April 15, 2011 at Burnett Stadium in Raymondville, Texas. The overnight event brings the community together as teams gather to Celebrate, Remember & Fight Back.

This year I am not only privileged to serve on the Relay Board but also honored to sever as Team Captain for a strong and devoted team. In 2011 we have challenged ourselves to raise \$10,000 and I am proud to say we are on our way to reaching our goal. The great thing is all the money raised stays in Willacy County, to help those in need right here at home. On March 5, 2011, our team will host the First Annual Willacy County 10k/5k Run-Walk in Lyford, Texas. The event will play host to over 100 walkers and runners. In order to put on a big event sponsorships are needed. We are asking that withchrist.net join this year's Relay efforts as an event sponsor by posting our event on your website.

The American Cancer Society strives to make every cancer patient a cancer survivor and with your sponsorship toward this great event your company will be doing its part to ensure that lives are being saved and helping create a world with more birthdays.

Should you have any questions, feel free to contact me at 956-746-9275. Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink that reads "Manuel J. Salgado".
